

Volunteer Policy at Old Town Hot Springs

We offer a unique program allowing you to work off your membership dues. This work involves cleaning, landscaping, childcare, and general maintenance of all types. There are many different tasks that will be expected from you, including a lot of cleaning. You must be 18 years or older to participate in the program. Most of the work is physical so disabilities will limit your eligibility for the program; health restrictions will be reviewed on an individual basis.

Memberships

- Your membership will not be activated in the computer until all your hours are finished. **This means if you are not a member now you will have to pay an entry fee to use the facility until you have worked off all your hours.**
- On the days that you do your trade hours, you are eligible to use the facility before and after your scheduled shifts. For example, if you are working from 9 a.m. until 3 p.m., you will be able to come in and work out before 9 a.m. or after 3 p.m. This does not apply to any other day or later in the week, but only on the day you work.
- If you have already paid for a membership, we do not refund money to facilitate a trade. If you still want to do trade hours, it would be only for a future membership.

Scheduling

- You will work a minimum four-hour shift unless otherwise discussed.
- Make arrangements for work days and times with your manager in advance; drop-ins are not appreciated. The pool can be a very hectic place, especially in the summertime and it helps in planning projects for everyone if arrangements are made in advance.
- Trades must finish work hours in a timely manner. Remember, the more flexible you can be to our needs the faster you will finish your hours and enjoy all the Old Town Hot Springs has to offer.
- Hours available for trading are weekdays and occasionally some weekend days, since trades cannot work unsupervised.

Hourly Requirements

- Hours are equivalent to approximately \$9 per hour.
- Minimum trade is for seven hours.
